

5-8 TIGER BEAT

NOTE FROM MR. FISHER

The G in “Be a T.I.G.E.R.” represents *Gratitude*. A great day to represent Gratitude is today, Veteran’s Day. We are so thankful for all of our Veterans and those currently serving our country. We express our gratitude in many ways, most common of which is our words. I encourage you all – students, teachers, families – to not only show gratitude and thanks to our Veterans today, but to all of those people in our life every day. There are so many great things in our lives to be thankful and grateful for. I am grateful to be a part of an amazing school community with such caring parents and hard-working staff. It’s always a great day to Be a TIGER!
