

Dear Manhattan Students, Parents and Guardians:

The Manhattan Public School teachers have been preparing and may have already reached out to you with online instructions and curriculum packet materials pickup. The formal launch date is Monday, March 23rd. If you have not been contacted by your child's teacher, please email them or contact the building principal.

The Manhattan School Community has been absolutely amazing throughout this process. A huge shout out to teachers, students, board members, parents and guardians. We may not have been perfect with our communication thus far, but our effort was a home run. With your patience and willingness to be a team player, we will continue to get better. Remember, we sincerely LOVE your children and always make an effort to seek their best.

All schools are closed at this time. However, both elementary and middle/high school offices will be open from 8:00 am - 12:00 Noon next week for drop off or pick up of materials.

Here are some links and a phone number to resources and information about COVID-19:
