Enter Here to Learn. Go Forth to Serve.

March 29, 2018

Dear Parents of ALL MANHATTAN STUDENTS:

Over the summer, we are changing our student data system over to a company called Infinite Campus. By doing this, we will be provided with a much better system of communication. In order for this system to be effective, we need your cooperation and timely response. We are sending home an information sheet to be filled out completely for all students. Please take time right away to fill it out and return it to the school.

It is crucial that this information not only get filled out correctly and sent back in but also done in a timely manner as our new security alert system will rely on it as well.

I appreciate your prompt attention and immediate response to this matter.

Sincerely,

Scott Chauvet
Superintendent
