

It is my understanding that a fair proportion of students belong to the National Honors Society and that one of the requirements of membership is a certain amount of community service. As it happens, we at the Senior Center are in great need of volunteers to help us serve meals to our members. The hours would be any part of Tuesdays, Wednesdays and Thursdays between 09:30 and 13:00. We need help setting tables, bagging meals for our Meals-on-Wheels program and clean up afterwards. You would earn our undying gratitude, a delicious and nutritious meal, a chance to get to know some very interesting people and credit toward your community service requirement. Or if you have no particular requirement, you will find that community service is good for both your heart and your soul. We also need substitutes who can fill in when regularly scheduled volunteers can't make it.
