

Student Academic Tip Sheet

As a student, you may be wondering, “What do I do next?” If you have been identified as a close contact and are going into quarantine, remember to do the following:

- Gather your school materials from your locker (if possible) before you go home.
- Let the office know if you have internet access and a device for connecting Google Classroom (computer, smartphone, Chromebook, etc).
- **Contact your teachers** via email or phone to let them know that you will be out of the school building while on quarantine, as well as the date you will return. Your teachers can give you additional instructions for individual classes.

As long as you are feeling well during the quarantine period, you are expected to:

- Log in to Google Classroom and join the *GoogleMeet* for each class daily via computer or phone.
- Follow any additional instructions for academics that your teachers provide.
