#### **6.1 Definitions**

- A. A grievance is defined as a claim based upon an event or condition which affects the conditions or circumstances under which a teacher works, allegedly caused by misinterpretation or application of written district policies, State Law, or terms of this negotiated agreement. Grievance of written district policies and state law may be grieved to Level III of the grievance procedures.
- B. A grievant is a teacher, or group of teachers or the Association filing grievances.
- C. A party in interest is the person, or group of persons, making the claim and any person who might be required to take action or against whom action might be taken in order to resolve the claim.
- D. Days mean teacher workdays, except as otherwise indicated. If the stipulated time limits are not met, the grievant shall have the right to appeal the grievance to the next level of the procedure.

#### **6.2 Rights to Representation**

- A. At least one Association representative can be present at proceedings at which the grievant needs to attend.
- B. If, in the judgment of the Association, a grievance affects a group of teachers or the Association, the Association may initiate and submit such grievance in writing to the Office of the Superintendent and the processing of such grievance shall be commenced at Level II. The Association may process such grievance through all levels of the procedure, even though there is no individual aggrieved person who wishes to do so. Class grievances involving more than one supervisor, and grievances involving the administrator above the building level, may be filed by the Association at Level II.
- C. In matters dealing with alleged violation of Association rights, the grievance shall be initiated at Level II.
- D. The Association on its own may continue to submit to the Board any grievance filed and later dropped by the grievant within fifteen (15) days of the time dropped by the grievant, provided that the grievance involves the application or interpretation of the Agreement.

#### **6.3 Individual Rights**

Nothing contained herein shall be construed as limiting the rights of any teacher having a complaint outside the Agreement to utilize the existing complaint procedure.

#### **6.4 Procedure**

**Level I.** The parties in interest acknowledge that it is usually most desirable for any employee and his immediately involved supervisor to resolve problems through free and normal communications. Within twenty (20) work days following the knowledge of the act or condition which is the basis of the complaint, the grievant may present the grievance in writing to the immediately involved supervisor, who will arrange for a meeting to take place within five (5) days after receipt of the grievance. The grievant and/or the Association and the supervisor shall be present for the meeting. The supervisor shall provide the aggrieved party and the Association with

a written answer to the grievance within ten (10) days after the meeting. Such answer shall include the reasons upon which the decision was based.

**Level II.** If the grievant is not satisfied with the disposition of his grievance at Level I, or if no decision has been rendered within the ten (10) school days after presentation of the grievance, then the grievance may be referred to the Office of the Superintendent. The Office of the Superintendent shall arrange for a hearing with the grievant and/or the Association to take place within ten (10) days of his receipt of the appeal. The parties in interest shall have the right to include in the presentation such witnesses and counselors as they deem necessary to develop facts pertinent to the grievance. Upon conclusion of the hearings, the Office of the Superintendent will have ten (10) days to provide his written decision, together with the reasons for the decision to the Association.

**Level III.** If the grievance has not been satisfactorily resolved at the second level, the aggrieved teacher shall file within ten (10) school days of the Superintendent's written decision, a copy of the grievance with the School Board. Within ten (10) school days after such grievance is filed, the grievant and/or representative of the grievant as desired, the Superintendent of his designee, and the Board of its designated commit shall meet to resolve the grievance.

**Level IV:** If the Association is not satisfied with the disposition of the grievance by the Board, and if the grievance involves an unresolved and disputed interpretation in this Agreement, it may be submitted before an impartial arbitrator. Each party shall exercise its right to arbitration by giving the other party written notice of its intention to arbitrate within ten (10) days of the rendering of a decision at Level III. If any questions arise as to arbitrability, such questions will first be ruled upon by the arbitrator selected to hear the dispute.

Within ten (10) days after such written notice of submission to arbitration, the superintendent and the exclusive representative will attempt to agree upon a mutually acceptable arbitrator and to obtain a commitment from such arbitrator to serve. If the parties are unable to agree upon an arbitrator or to obtain such a commitment within the ten (10) day period, a request for a list of arbitrators may be made to the Board of Personnel Appeals. If either party objects to the Board of Personnel Appeals lists, a request for an arbitrators list will be made to the American Arbitration Association and an arbitrator will be selected from that list.

The arbitrator selected will confer with the representative of the Board and the grievant and representative and hold hearings promptly and will issue his decision not later than thirty (30) days from the date of the submission of the final statements. The arbitrator's decision will be in writing and will set forth findings of fact, reasoning and conclusions on the issues submitted. The decision of the arbitrator will be submitted to the Board and the exclusive representative and will be final and binding upon the parties.

**Arbitration Costs:** Each party shall bear its own costs of arbitration except that the fees and charges of the arbitrator shall be shared equally by the parties.

**Jurisdiction of the Arbitrator:** The arbitrator shall have no power to alter, add to, or subtract from the terms of this Agreement. The arbitrator's decision shall be based upon the specific provisions of this Agreement. This arbitration provision shall be for grievances only. There shall be no interest in arbitration.

**6.5 Exception to Time Limits**

The time limits provided in this Article shall be strictly observed unless extended by written agreement of the parties. Notwithstanding the expiration of this Agreement, any claim or grievance arising thereunder may be processed through this grievance procedure until resolution. It is understood that in order to be processed, the grievance would have to be filed prior to the expiration date of this Agreement.

**6.6 Election of Remedy**

Once the grievant has filed any complaint, appeal or other action with any county, state or federal agency, court, tribunal or other forum involving the same facts or circumstances all rights to file or pursue a grievance under this Article shall be forever waived.

**6.7 Cooperation of Board, Administration and Association**

The Board, Administration, and the Association will cooperate in investigation of any grievance, and will furnish such information as is required through mutual agreement for the processing of any grievance.

**6.8 No Reprisals**

No reprisals of any kind will be taken by the Board, administration or Association because of participation in the grievance procedure.

**6.9 Personnel Files**

All documents, communications and records dealing with the processing of a grievance shall be filed separately from the evaluation files of the participants. (See appendix A for the Grievance Report Form.)

**ARTICLE VII**

**Promotions, Vacancies, Transfers**
