The Legislature of the State of Montana delegates to the Board responsibility for the conduct and governance of district schools. The Trustees for the 2020-2021 school year, as elected by residents of this district, are as follows:

GENERAL TERMS OF EMPLOYMENT

EQUAL OPPORTUNITY EMPLOYMENT

The Board is an Equal Opportunity Employer. The District does not discriminate on the basis of race, creed, religion, color, national origin, age, physical or mental disability, marital status, genetic information, sex, or veteran status, as required by law. "Sex" includes sexual orientation and gender identity and expression. The District is required by federal law, including but not limited to the Civil Rights Act of 1964, Title IX, and Section 504 and the Americans with Disabilities Act and their regulations to not discriminate against individuals in violation of these laws.

Reasonable accommodation for individuals with disabilities will be made as required by law.

If considerations of sex, age or disability have a bona fide relationship to the unique requirements of a particular job or if there are federal or state legal requirements that apply, then sex, age or disability may be taken in account as a bona fide occupational qualification, provided such consideration is consistent with governing law.

If you have questions concerning District compliance with state and federal equal opportunity employment laws, including but not limited to Title IX, contact the District's Section 504/ADA Coordinator, Kim McCauley at kmccauley@mhstigers.org, (406) 284-6460; or the District's Title IX Coordinator, Neil Harvey at nharvey@mhstigers.org, (406) 284-3250. For additional information, please see **Policy 5010**.

Inquiries may also be directed to the Assistant Secretary for the U.S. Department of Education.

HARASSMENT/DISCRIMINATION

The Board intends that employees have a safe and orderly work environment in which to do their jobs. Therefore, the Board does not condone and will not tolerate harassment or bullying of employees, discrimination against employees, or any act prohibited by Board policy that disrupts the work place and/or keeps employees from doing their jobs.

Employees are expected to be civil, respectful, and act in an orderly manner toward one another. Workplace harassment and bullying may be defined as the deliberate, hurtful, repeated mistreatment of an employee, driven by a desire to abuse or control that individual.

Common behaviors include, but are not limited to,:

- Injuring, threatening, harassing or intimidating a staff member, board member or any other person;
- Defamation of character and/or reputation;
- Yelling, shouting, and screaming; intimidating gestures toward fellow employees;
- Behind-the-back-put-downs, insulting, and unfair criticism;

- Damaging or threatening to damage another’s property;
- The deliberate sabotage and undermining of another’s work performance;
- Impeding, delaying, or otherwise interfering with the orderly conduct of the district employee program or any other activity occurring on school property;
- Operating a motor vehicle in a risky manner to scare or intimidate;
- Exclusion or social isolation; and
- Other inappropriate behavior that intimidates, offends, degrades or humiliates a co-worker, including occurrences in front of another co-worker, students, parents, contractors or visitors.

Any employee who believes that he or she, or any other employee or student, is being subjected to harassment or discrimination should bring the matter to the attention of the Supervisor and/or Building Principal. Complaints of sexual harassment should be brought to the District’s Title IX Coordinator. The District will investigate any such concerns promptly and confidentially to the extent possible. Complaints will be addressed via the applicable grievance procedure; the District’s grievance procedures can be found on the District’s website at www.rollontigers.org and at each District building.

No employee will be subject to any form of reprisal or retaliation for having made a good-faith complaint under this policy. For complete information concerning the District’s position prohibiting harassment/discrimination, assistance in reporting and responding to alleged incidents, and examples of prohibited behaviors, employees should refer to the District’s policies and related procedures. For additional information if an employee believes that he or she has been discriminated against or harassed on the basis of race, creed, religion, color, national origin, age, physical or mental disability, marital status, genetic information, or sex, please see **Policies 5010, 5012 and 5015.**

HIRING

The term “classified personnel” refers to those employees of the school district whose positions of employment do not require professional certification under the provisions of Montana School Law.

Classified personnel will be categorized on the basis of the conditions of the employment agreement. These categories are:

1. Full-Time Year-Round: 40 hours per week, 12 months per year.
2. Full-Time School-Year: 40 hours per week, 9-10 months per year.
3. Part-Time Year-Round: Less than 40 hours per week, 12 months per year.
4. Part-Time School-Year: Less than 40 hours per week, 9-10 months per year.
5. Short-Term: Employed on any basis but duration of employment is indefinite and not permanent.

All personnel are required to sign a written contract with the District with the exception of substitute teachers and short term workers. For further information on hiring, refer to **Policy 5120**.

JOB RESPONSIBILITIES

All employees receive a copy of their job description and responsibilities for review. Immediate supervisors may assign other duties as needed. Employees should ask their supervisor if they have questions regarding their assigned duties and/or responsibilities. For additional information, please refer to **Policy 5210**.

CRIMINAL BACKGROUND CHECKS

Any finalist recommended to be employed in a paid or volunteer position with the District, involving regular unsupervised access to students in schools, as determined by the Superintendent, shall submit to a criminal background investigation conducted by the appropriate law enforcement agency before consideration of the recommendation for employment or appointment. Any offer of employment or appointment will be contingent on results of the criminal background check. This policy shall also be applied to an employee of a person or firm holding a contract with the District, if the employee is working on school property, and the employee may have unsupervised access to students.

Any requirement of an applicant or employee of a contractor to submit to a fingerprint background check will be in compliance with the National Child Protection Act and applicable federal regulations. If an applicant has any prior record of arrest or conviction by any local, state, or federal law enforcement agency for an offense other than a minor traffic violation, the facts must be reviewed by the Superintendent, who will decide whether the applicant will be declared eligible for appointment or employment. Arrests resolved without conviction will not be considered in the hiring process, unless the charges are pending. The Superintendent shall keep all criminal record information confidential as required by law. For additional information, please see **Policy 5122**.

CONFIDENTIALITY

In certain circumstances employees may receive confidential information regarding students' or employees' medical, discipline or court records. Employees are required to keep student and personnel information in the strictest confidence and are legally prohibited from passing confidential information along to any unauthorized individual. If employees have any questions about access to confidential information, they should speak to their Supervisor.

An official personnel file is established for each person employed by the district. A staff member's personnel file may contain such information as applications for employment, references, and records relative to compensation, payroll deductions, evaluations, complaints, and written

disciplinary actions. All records containing medical-condition information, such as workers' compensation reports and release/permission to return to work forms, will be kept confidential, in a separate file from personnel records.

All personnel records are considered confidential and not open to public inspection.

Please refer to **Policies 5130 and 5231** for additional information.

SALARIES AND PAYROLL DISTRIBUTION

Classified personnel may be paid on an hourly or salary basis, as determined by the Board.

Salaried employees' checks shall be issued on the 15th day of each month. If the 15th falls on a day when school is not in session, employees shall receive their payroll checks on the last previous date that school was in session.

Hourly employees are paid monthly, according to the pay schedule approved by the Board and distributed at the beginning of each fiscal year. Currently, the pay period is from the 25th of one month to the 24th of the following month; with payday being on the last working day of the month. Employees are required to use the time clock to punch in and out for their work day and for lunch time. The work week is from Saturday midnight to Saturday midnight.

OVERTIME

For those positions subject to the Fair Labor Standards Act and Montana's overtime wage laws, any hours worked beyond 40 hours in a work week will be paid at time and a half as overtime. **These overtime hours must be approved by your supervisor in writing in advance of hours worked.**

BREAKS

A 15-minute paid break will be given for every 4 hours worked. They shall be taken approximately in the middle of each half shift or as otherwise scheduled by the supervisor. Although each employee may take the above described break, it is to be understood that the individual employee's election to not take the break will not accumulate as leave time for any other purpose. If the break is not taken, it may not be used in any other way.

A 30-minute unpaid lunch will also be taken for any shift over 6 hours. This will be taken at approximately halfway through the shift, at scheduled lunch times, or as otherwise scheduled by the supervisor.. Employees will clock in and out for this lunch break.

RESIGNATION

Classified personnel will generally be expected to fulfill the terms of their contracts, unless: (1) clearly compelling, mitigating circumstances prevent the individual from doing so; and (2) until such time as the Board releases the individual from the terms of a contract upon recommendation of the Superintendent. Classified employees not under contract are expected to give written notice, generally of two (2) weeks, to permit the District to conduct a search for a suitable replacement. All employees should tender resignations in writing, which will be transmitted to the Board as part of the regular personnel report. Please see **Policy 5251**.

BENEFITS AND LEAVE

INSURANCE

The Board provides unemployment insurance, workers' compensation and liability insurance for all employees. In addition, the Board provides group health insurance to eligible employees. Classified employees who are regularly scheduled to work more than 20 hours per week are eligible for group health benefits contributions. Classified employees who are not regularly scheduled to work more than 20 hours per week are not eligible for group health insurance benefits.

For more information regarding insurance benefits for employees, please see **Policy 5331** or contact Andrea Rice at arice@mhstigers.org.

Short-Term positions will not receive holiday pay. Part-time employees will receive holiday pay on a prorated basis. When an eligible employee is required to work any of the school holidays, another day shall be granted in lieu of such holiday, unless the employee elects to be paid for the holiday in addition to the employee's regular pay for all time worked on the holiday.

When a school holiday falls on Sunday, the following Monday will not be a holiday. When a school holiday falls on Saturday, the preceding Friday will not be a holiday. When a holiday occurs during a period in which vacation is being taken by an employee, the holiday will not be charged against the employee's annual leave. Please refer to **Policy 5333** for additional information.

LEAVE

In order to provide the highest level of service, employees are expected to be at work and on time every day. However, when circumstances dictate, the District provides leave to its employees pursuant to Montana law, master contracts and individual contracts. Employees who must be absent should inform their immediate supervisor as soon as possible but no later than the start of the scheduled shift. Listed below is general information regarding several types of leave available to employees. Please note that in many cases a written request, submitted for approval before leave begins, is required. **Policy 5321 and 5328** contains additional information regarding the standards for leave.

Vacation leave cannot be cashed out unless the employee is over maximum vacation accrual as outlined above, as outlined for school-year employees, or at termination. At termination, any accumulated vacation leave is paid at the employees' hourly rate at the time of termination. For school-year employees, any vacation time accumulated at the school year end will be paid with their paycheck in June. Short term employees are not eligible for vacation leave. For more information on vacation leave, please refer to **Policy 5334 and Policy 5334P**.

Such employees shall have no expectation of continued employment from year to year, and contracts of employment may be renewed or non-renewed each year, at the District's sole option. The District reserves the right to change employment conditions affecting an employee's duties, assignment, supervisor, or grade.

The Superintendent may assign, reassign, and/or transfer positions and duties of all staff. The Superintendent will provide for a system of assignment, reassignment, and transfer of classified staff, including voluntary transfers and promotions. Nothing in this policy prevents reassignment of a staff member during a school year. For additional information, please see **Policy 5210**.

EMPLOYEE DISCIPLINE

District employees who fail to fulfill their job responsibilities or to follow reasonable directions of their supervisors, or who conduct themselves on or off the job in ways that affect their effectiveness on the job, may be subject to disciplinary action up to and including termination. Behavior, conduct, or action that may call for disciplinary action or dismissal includes, but is not limited to, reasonable job-related grounds based on a failure to satisfactorily perform job duties, disruption of the District or member school district's operation, or other legitimate reasons.

Discipline will be reasonably appropriate to the circumstance and will include, but not be limited to, a supervisor's right to reprimand an employee and the Superintendent's right to suspend an employee, with or without pay, or to impose other appropriate disciplinary sanctions. In accordance with Montana law, only the Board may terminate an employee or non-renew employment. **Policies 5255** contains additional information.

No public officer or public employee shall retaliate against or condone or threaten to retaliate against an individual who, in good faith, alleges waste, fraud or abuse.

EVALUATIONS

Each non-administrative staff member's job performance will be evaluated by the staff member's direct supervisor. The evaluation process includes scheduled annual evaluations using forms applicable to the job classification and description, and day-to-day appraisals pursuant to **Policy 5222**.

The supervisor will provide a copy of the completed evaluation to the staff member and will provide an opportunity to discuss the evaluation. The original should be signed by the staff member and filed in the staff member's personnel file. If the staff member refuses to sign the evaluation, the supervisor should note the refusal and submit the evaluation to the Superintendent. Staff members may have up to 10 working days to submit a rebuttal to the evaluation for inclusion in the file. Failure to sign an evaluation form noting receipt may subject the employee to discipline. For more information regarding evaluation of non-administrative staff, please refer to **Policy 5222**.

PERSONNEL RECORDS

The District maintains a complete personnel record for every current and former employee. The employees' personnel records will be maintained in the District's administrative office. Employees and their designees will be given supervised access to their personnel records in the administrative

office. Copies may be given to employees and their designees, but under no circumstances may the original file leave the administrative office. In addition to the Superintendent or other designees, the Board may grant a member of the Board access to cumulative personnel files. Counsel retained by the Board will also have access to a cumulative personnel file if necessary. Personnel records will be maintained for 10 years after the employee has left the District's employment.

No material derogatory to an employee's conduct, service, character, or personality shall be placed in the file, unless the employee has had the opportunity to review the material. The employee shall be entitled to respond to the material and to have that response placed in the file, if requested in a reasonable period of time, not to exceed 10 working days.

MEETINGS

Staff meetings are scheduled for the purpose of organization and communication of business that typically cannot be handled through staff bulletins, departmental or committee structure. All staff are expected to attend staff meetings unless prior arrangements have been made with the building principal.

EMPLOYEE CONDUCT

Absenteeism and Tardiness

Regular and timely attendance is an essential function of each position within the District. Employees are expected to report for work on time and to notify their immediate supervisor if they must be tardy or absent. Failure to provide regular and timely attendance may result in disciplinary action, up to and including termination.

Disrupting the Educational Process

Any employee who participates in or encourages activities that disrupt the educational process or the operations of the District may be subject to disciplinary action, including termination. **Policy 5255.**

Behavior that disrupts the educational process includes, but is not limited to:

- Conduct that threatens the health, safety or welfare of others;
- Conduct that may damage public or private property (including the property of students or staff);
- Illegal activity;
- Conduct that interferes with a student's access to educational opportunities or programs, including ability to attend, participate in, and benefit from instructional and extracurricular activities; or
- Conduct that disrupts delivery of instructional services or interferes with the orderly administration of the District, school and school-related activities or District operations.

Contact Information

Employees are required to annually update their contact information, including phone number and physical address, at the beginning of each school year. If an employee's contact information changes at any time after the beginning of the school year, the employee is required to update his/her contact information to the current information. Contact Andrea Rice (arice@mhstigers.org) to update contact information.

Drug-Free/Alcohol-Free Schools

Employees must not manufacture, distribute, dispense, be under the influence of, purchase, possess, use, or attempt to obtain in the workplace or in the performance of duties, alcohol or any narcotic drug, hallucinogenic drug, amphetamine, barbiturate, marijuana (including medical marijuana) or any other controlled substance. For purposes of this regulation, a controlled substance is one that is not legally obtainable, or one that is legally obtainable and not being used as prescribed, or referenced in federal and state controlled substance acts. Any employee who violates the terms of the District's drug-free/alcohol-free policies may be suspended, nonrenewed or terminated. Violations may result in notification of appropriate legal officials. Any employee convicted of a workplace violation of drug abuse statutes must notify the Superintendent of the conviction within five (5) working days. For additional information, please refer to **Policy 5226 and 8225**.

Weapons

Carrying, bringing, using or possessing any weapon or dangerous instrument in any District building, school building, on school grounds, in any school vehicle, or at any school-sponsored activity is prohibited. Except for authorized law enforcement officials, the District prohibits carrying concealed weapons on District property. Staff members who violate this policy are subject to disciplinary action, including termination.

Dress and Appearance

District employees are required to dress in a professional manner. No mode of attire will be considered proper if it distracts from or is disruptive of the positive learning environment of the school to which the employee is assigned or the District office.

Participation in Political Activities

District employees may exercise their right to participate fully in the affairs of public interest on a local, county, state, and national level, on the same basis as any citizen in public or private employment and within the law. Employees may, within the limitations imposed by state and federal laws and regulations, choose any side of a particular issue and support their viewpoints as

they desire, by vote, discussion, or persuading others. Such discussion and persuasion, however, may not be carried on during the performance of district duties. **Policy 5224.**

Tobacco Products

The District maintains tobacco free buildings and grounds, as required by Montana law. Tobacco includes, but is not limited to vapor products, cigarettes, cigars, snuff, smoking tobacco, smokeless tobacco, alternative nicotine products, or any other tobacco or nicotine innovation. Use of tobacco will not be allowed in any District school district buildings, grounds or vehicles, or while on duty during District-sponsored events. However, nothing prohibits an employee from using a smoking cessation product on district property. An employee may use a tobacco product, vapor product, or alternative nicotine product in a classroom or otherwise on school property as part of a lecture, demonstration, or educational forum concerning the risks of such product with prior notice and approval of the building administrator. Please see **Policy 5226 & 8225.**

Use of School Property/Electronic Communication System/Social Networking Pages

Employees may not use any District facility, vehicle, electronic communication system, equipment, or materials to perform outside work. These items (including security codes and electronic records such as e-mail) are District property. Employees cannot expect confidentiality or privacy of the information in their email accounts, and should review **Policy 5450, 5460, and 5470** for specific information regarding the use of the Internet. Authorized District personnel may monitor the use of electronic equipment from time to time, and violations of **Policy 5450, 5460, and 5470** may result in discipline up to and including termination.

The on-campus and off-campus conduct of employees may impact their ability to function professionally and effectively in the District. Given student and parent interest in and use of electronic media, this is especially true as related to employees' action on electronic social networking websites. Employees may not set up or update their personal electronic social networking websites using the District's computers, network or equipment. Employees who set up personal electronic social networking webpages on their home or personal computers are responsible for the content of their webpages, including but not limited to: content added by employees, their friends or members of the public who can access their webpages; or content that is linked to the employees' webpages.

Employees who set up personal websites or webpages do so at their own risk; however, employees are strongly encouraged to keep their personal webpages private and to prevent students and the parents of students from accessing their personal webpages.

Employees who drive any District-owned vehicle and who receive a traffic citation during the year must report the citation to the Superintendent immediately.

Health, Safety and Security

It is the intent of the District to provide a safe and healthful working environment for all employees. Employees should report any security hazard or conditions they believe to be unsafe to their immediate supervisor. The District may require the use of personal protective equipment, including but not limited to face masks, if necessary for the safety and welfare of staff and students. For information on a particular District's Safety Plan and Bloodborne Pathogen Control Plan, contact your immediate supervisor or see the particular District's *Policy Manual* and related procedures. **Policy 5130, 5230, 8300 and 8301** contains more detailed information regarding these measures.

Assaults and Threats of Violence

Employees should immediately report any threats they receive (oral or written) to their immediate supervisor and to the appropriate District official.

Child Abuse

A District employee who knows or has reasonable cause to suspect that a student may be an abused or neglected child, regardless of whether the person suspected of causing the abuse or neglect is a parents or other person responsible for the child's welfare, shall report such a case to the Montana Department of Public Health and Human Services and notify the Director and the building administrator that a report has been made. An employee does not discharge the obligation to personally report by notifying the Superintendent or building administrator. Any District employee who fails to report a suspected case of abuse or neglect to the Department of Public Health and Human Services, or who prevents another person from doing so, may be civilly liable for damages proximately caused by such failure or prevention and is guilty of a misdemeanor. The employee will also be subject to disciplinary action up to and including termination. In the event that a DPHHS reveals information to an employee after he or she makes a report or requests that information be shared with another employee, employees receiving such information shall keep the information confidential.
