

# Manhattan Bond Project Monthly Project Report

*October 2018 | Karen Hedglin*

# Budget and Schedule

Bond funds have been fully expended at this time.

Wrapping up as-built drawings and operation and maintenance manuals at this time.

Training completed on new boiler plant and controls systems last week.

# Outstanding Items

- Design team is working to resolve viewing angles from mezzanine seats in new gym area.
- Seeding has yet to be established throughout grounds, will be monitored in spring for establishment and weeds. Please stay off these areas.
- Construction team will be checking off remaining punchlist items on Oct. 18, 19 for completion while students and staff are out of school.
- Book drop cart for elementary library is on order.
- Stage lights will be installed next week.
