

# 5-8 TIGER BEAT

## NOTE FROM MR. FISHER

Our theme for this school year is to “**Be a T.I.G.E.R.**” with each letter of the word Tiger representing a trait we pride ourselves in at Manhattan Middle School. This week’s focus is the letter T and *Teamwork*. Working together as a team of students, teachers, and parents, we can accomplish success in education. Teamwork requires positive contributions and strong efforts from all of the members of the team. So far this year, we have seen excellent teamwork from everyone on our educational team and we cannot wait for more successes to come with that togetherness and teamwork supporting our Tiger students. GO TIGERS!

**Fun Fact About Me:** I’ve never been stung by a bee.

**Favorite Middle School Memory of My Own:** When it ended. I was not a big fan. Maybe that is why I like teaching this age level to assure them that it can be an awkward or challenging time for many of us, but it is only a small slice of the pie.
