

5-8 TIGER BEAT

NOTE FROM MR. FISHER

This morning, the Middle School and High School observed a moment of silence in honor of September 11th. While our Middle School students were yet to be born when the events happened on 9/11 19 years ago, they have lived in a world that is still affected by those events. We want to thank all of our service men and women in our Manhattan community and in our families that have helped defend our country and our freedom.
