

# 5-8 TIGER BEAT

## NOTE FROM MR. FISHER

Manhattan Schools have long been connected to community pride. That connection has not faded in these challenging and different times. We are so appreciative of the support the community of Manhattan gives to our students and teachers year-round. Even though guidelines and restrictions are in place that might keep us physically distant and at times separated from the community, we value the social connections to the greater Manhattan community. I encourage you all to thank a local business or community member any time you can! Thank you, Manhattan! GO TIGERS!

*- Mr. Fisher*
