

5-8 TIGER BEAT

NOTE FROM MR. FISHER

We have reached the mid-term point of the 1st Quarter! Any and all landmarks we reach this school year feel like an accomplishment with all of the hard work students and teachers are putting in to making this a great year despite all of the challenges. With mid-term reports being sent out this week, we want to remind students and families that these are only a snapshot of where the students are at in their learning at this point in time. A LOT of time remains for them to learn and accomplish more in their academics. We are confident that every Tiger student CAN and WILL be a successful student. If students need more support or have questions regarding their academics, please let us know – that’s what we are here for, to help students learn. Have a great week! GO TIGERS!

- Mr. Fisher

THIS WEEK AT A GLANCE

Monday 9/28	<ul style="list-style-type: none"> JH Volleyball – HOME vs. Manhattan Christian – 4:00 JH Football - @ Whitehall – 4:00

PHOTO OF THE WEEK

6th Grade students conduct a Science experiment involving soaking Gummy Bears in different solutions to see the different reactions!

TEACHER'S SPOTLIGHT

MISS HARLER

Subject: Junior High & High School Family & Consumer Science

Fun Fact About Me: I wanted to be a lawyer when I was going up, so I was in a Law and Criminal Justice Academy in high school and traveled to Harvard Law School for a competition and to tour the school. Obviously I chose a different career path ;).

Favorite Middle School Memory of My Own: I loved being part of clubs! My favorite two were theatre and robotics club in middle school. Acting was so intimidating but fun, and I made great friends. And I learned how to write my own binary codes with robotics and travel to a national competition!

Favorite Quote: "Do things for people not because of who they are or what they do in return, but because of who you are."
– Harold S. Kushner
